INDEMNIFICATION

10.1 Indemnity: The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or contemplated action suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a Director, employee, officer or agent of the Association, against expenses (including attorneys' fees and appellate attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceedings, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, has no reasonable cause to believe his conduct was unlawful, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have adjudged to be liable for gross negligence or misfeasance or malfeasance in the performance of his duty to the Association, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability, but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

Any indemnification under Section 10.1 above (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Director, officer, employee or agent is proper under the circumstances because he has met the applicable standard of conduct set forth in Section 10.1 above. Such determination shall be made (a) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable, if a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or by a majority of the voting interests of the members.
- 10.4 Advances. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in any specific case upon receipt of an undertaking by or on behalf of the affected director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Section 10.
- 10.5 Miscellaneous. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any By-Law, agreement, vote of members or otherwise, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs and personal representatives of such person.
- 10.6 Insurance: The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.
